

VESTRY NOMINATIONS

The following individuals have been chosen as candidates for the new vestry class of 2024.

The current vestry recommends this slate of candidates to the parish.

JOHN GOETTLER

John and his wife Valerie moved their family to Jackson ten years ago and have been members of St. John's since their arrival. John was the chair of the Endowment Committee for six years and continues to serve as a member. John was honored and humbled when Jimmy asked him to serve as a member of the Legacy of Love Campaign Steering Committee, and he is the chair of the Advance Gifts Committee. He has worked professionally as a fundraising consultant and a nonprofit foundation executive for the last 36 years. He launched his own consulting firm, The Goettler Group, in June 2022. They specialize in advising nonprofit organizations on securing financial resources to advance their mission and create lasting impact.

HADYN PEERY

Hadyn is a financial advisor and partner at SINGLETON PEERY Financial. Born and raised in Lynchburg, Virginia, he was drawn to the Tetons after graduating from N.C. State University in search of adventure. An active member in the community, he sits on the boards of Teton Raptor Center, Mental Health and Recovery Services of Jackson Hole and the Legacy of Love steering committee for St. John's. St. John's has been an important aspect of his life since reconnecting with the church in 2014. When not at work – or at church on Sundays – you will find Hadyn skiing in the winter and playing golf in the summer. Hadyn lives in Jackson with his wife Samantha and two children – Liv and Teddy.

ANNE RUTHERFORD

Jackson holds a special place in Anne's heart. She and her husband, Jim Ross, made Anne's dream come true eight years ago when they moved here from Connecticut, and they've never looked back. Anne's dad was born here in 1914, so her roots run deep. She is a retired Family Nurse Practitioner. Together Jim and Anne share six children and nine grandchildren who enrich their lives. They take advantage of this beautiful spot as often as possible, hiking, fishing, snowshoeing and cross-country skiing or just being still and soaking in the glory of Wyoming. St. John's has been a spiritual home and anchor for Anne, and she feels honored to be nominated to participate in the life of this parish by serving on the vestry.
